IML - UNICEF - Charity World Challenge

Over the past months numerous manifestations unfortunately fell victim to the worldwide pandemic. In the hope of bringing our fellow walkers closer together again - at least in spirit - the IML has worked on a special kind of event. We are happy to present:

The IML - UNICEF-Charity World Challenge

1.09.2021 – 30.11.2021

During these three months we challenge you to collect as many kilometers as you can.

Here is how it works:

Sign up for either 1, 2 or 3 months of walking and collecting kilometers at home. For your walks to count towards your final total of kms, they must fulfill the following 3 conditions:

The walks must

- take place within the chosen timeframe
- cover a distance of 10 km or more
- be tracked with a GPS or an appropriate application for your phone.

Options

- if you do not have the option of GPS tracking of your walked route(s), " it is sufficient if you let us know the date, the area and the KM walked by email: info@imlwalking.org
- if you walk in a group it is also possible to send us a collective information about the members and the km they have walked.

After the chosen timeframe (1 month / 2 months / 3 months), you will send a PDF with screenshots of your tracked walking route to info@imlwalking.org. Please email us all your routes together, only after you have walked the last part of your challenge.

Your efforts will be rewarded with a digital certificate displaying the chosen timeframe as well as the total number of collected kilometers. Additionally, you will receive the special IML-UNICEF- Charity World Challenge Pin via postal mail. This pin can be attached to your solidarity medal or to your IML-medal.

A list of all participants in the IML - UNICEF- Charity World Challenge will be published on our IML website. Should you not yet own the IML-solidarity medal and Corona-bar, you can order them in your registration email. **Please register via** https://ismlux.pcscloud.net/iml_solidarity

Registration fee:

1 month of walking:	15,00 €
2 months of walking:	25,00 €
3 months of walking:	30,00 €
Shipping:	6,00 €

The entire profit from the **IML-UNICEF- Charity World Challenge** will be donated to UNICEF.

In many countries, children suffer grave consequences from the pandemic. Together with UNICEF we want to extend our hands to the most helpless in the face of this global crisis and give them a future. IML will gladly accept additional donations and integrally forward them to UNICEF.
